Ten sheet masks for perfect skin in a flash

They're the go-to selfie accessory for Karlie Kloss and Adriana Lima, sheet masks are as powerful as a shot of serum and serve to revitalize and nourish the skin in a few minutes flat. Our selection of the ten best on the market, to give your skincare routine the boost it deserves.

### The most luxurious

Over the course of a month, this indulgent mask treatment aims to visibly reduce each sign of aging for tighter-looking skin by the day.
