THE SPA INSIDER'S JULY PICKS

At The Spa Insider, we're constantly on the lookout for the latest and greatest things that are new in the world of beauty and wellness. But with all of the different products lining the shelves out there, how do you know which ones are *really* the best? We're excited to share with you that we're launching a new series called The Spa Insider Picks, where every month we feature the hottest launches that you'll want to know about. From skincare and makeup to hair treatments and trends, check out our picks for the month of July:

5. [L. Raphael Proactive Anti-Aging Serum](#) (\$475)

For brighter, more luminous skin, this innovative anti-aging formula prevents the appearance of wrinkles, minimizes dark spots and discoloration, and gives skin a more lifted look. It also stimulates collagen production, increases cell renewal process performance, and fights damage caused by free radicals and the aging process.
