

L. RAFFAEL Ultimate Travel Kit

This luxury Swiss skincare line with exclusive spas based in New York, Beverly Hills, Cannes, Geneva and Tel Aviv has launched a results-driven, convenient, travel-ready skincare kit. **The Ultimate Travel Kit** features skincare that combats the first signs of aging by boosting collagen production, fortifying the skin with nourishing Vitamin C and enhancing moisture retention.

To begin, cleanse with Ultimate Smoothing Cleanser, Ultimate Smoothing Lotion and Mineral Balancing Foaming Cleanser. After cleansing, apply the balancing Mineral Purifying Mask, followed by Proactive C Serum to reduce pigmentation, brighten and protect the skin from free radicals. Finish with the Ultimate Intensive Cream made with ceramides, plant extracts and minerals that strengthen the skin's protective barrier for optimum moisture retention and collagen production. l-raphael.com
